

WAVERLEY BASKETBALL ASSOCIATION
ANNOUNCEMENT

I am very pleased to announce that I have appointed Eric Minerve to the position of Junior Boys Coaching Director and Senior Men's Coaching Director for the 2011 / 2012 seasons.

Eric has done a very good job for Waverley over the last few years in these positions and will continue to assist Waverley in their efforts to become a leading Representative Club in the future.

In more good news, Andrew Kelly will join our Waverley administration office. Andrew will be involved with media contacts, website activity, domestic competitions and venue development. He will be working directly with Shane Palmer who is the Waverley Basketball Association Manager. Andrew will commence with us in early October.

Yours Faithfully,

M.J.Bullock
General Manager
